To whom it may concern,

I was very impressed with the quality of workmanship and the follow-up that was provided by Slip Stop. They did the work on our floors over a two night period of a very large two story Wendy's restaurant in Calgary, AB. After each night they were there, I was given a follow-up call to ensure we were happy with the work that was done. I must say the floors never looked better when I arrived in the morning. They were very thorough to ensure the entire tile was done and worked around our business hours. I would recommend their services in the future and would like to thank you for taking the time to call to provide the follow-up service.
